impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than anything else. I wish that which is genuine. Pleas express me half a dozen bottles, and oblige Capt. C. P. JOHNSON.

St. Louis. Mo.

P. S. The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson.

Dr. John Bull—Dear Sir.: My husband, Dr. C. S. Johnson, was a skilful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhoea and scroula, for which I gave your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York. Ohio and Lows, tor scroula, fover sores, and general debility. Perfect success has attended it.

The cures effected in some cases of scroula and fever sores were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover.

Respectfully,
